Name of the Author: _____   I. D. No.: _____

Telephone number of the Author: _____
Email Address: _____
Name of the Mentor /s: _____
Title of the Thesis: _____
_____
_____

The _____ Library of the Tel Aviv University (hereinafter: "The Library") serves as a Library
Depository for Master's Degree Thesis Papers written at the Faculty of _____ .

**I am aware of the fact that as a rule, Master's Degree Thesis Papers will be uploaded to the digital database
upon the submission thereof to the Library and will be available for perusal by an Internet user in Israel and
around the world**

Despite the above stated, I would like to restrict access to my thesis and / or to delay uploading my thesis to the
digital database pursuant to that marked in the table:

Please mark an X in the appropriate place and circle the requested period of time:

Those entitled to peruse the thesis	
All those wishing to peruse the thesis in Israel and around the world after the passage of one year / two years / three years	
Only those university students or staff in Israel wishing to peruse the thesis without delay / after the passage of one year / two years / three years	
Only el Aviv University students or staff wishing to peruse the thesis without delay / after the passage of one year / two years / three years	
The Thesis Paper will be stored at the Library and will digitally accessible only from within the Library building	

**Note: Anyone not marking an X in the appropriate place will be considered as having permitted the immediate
publication of the Thesis Paper in the digital database, for all Internet users.**

I hereby deposit a complete copy of the Thesis in a digital format at the Library and confirm that this is an identical
copy of the printed version.
